## INVESTMENT OBJECTIVE

The Latin American Corporate Debt Fund aims to maximize medium-term total investment return, consisting of a combination of interest income, capital appreciation and currency gains. The fund primarily invests in fixed debt securities as well as debt obligations of issuers based in Latin America or those that conduct the main part of their business activity within Latin America (including the Caribbean).

## RISK

Recommended Investment Horizon: Over 1 year

## S&P Global Ratings

LarrainVial Asset Management achieved the best classification (AMP-1) for third-party asset management.
